II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? (check all that apply)

- ☒ Federal question ☐ Diversity of citizenship

Fill out the paragraphs in this section that apply to this case.

A. If the Basis for Jurisdiction Is a Federal Question

List the specific federal statutes, federal treaties, and/or provisions of the United States Constitution that are at issue in this case.

United States Constitution Amemdment 1, United States Constitution Article VI Section 1 Clause 2 ,Compact Agreement Noble Drew Ali Free National Divine Constitution and By Laws Article I, Article VI - VII Treaty of Peace and Friendship Articles 20-21, 1776 Free Nationl Constitution Pennsylvania 42 U.S.C Statute 1983, 18 U.S.C Satute 242, 18 U.S.C Part I -Crimes, Chapter 47 and section 1001, 18 U.S.C Statute 1604 Federal Rule for Civil Procedure 60(b)-60(b)(6)

B. If the Basis for Jurisdiction Is Diversity of Citizenship

1. The Plaintiff(s)
- a. If the plaintiff is an individual

State of (name) .
- b. If the plaintiff is a corporation

2. The Defendant(s)

Or is incorporated under the laws of *(foreign nation)* \_\_\_\_\_ ,  
and has its principal place of business in *(name)* \_\_\_\_\_ .

*(If more than one defendant is named in the complaint, attach an additional page providing the same information for each additional defendant.)*

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because *(explain)*:

The Affiant is seeking 75,000 per defendant. All of those who are a party to the abrogation and usurpation of Undersigned inalienable rights that are secured by the American Constitution one of the greatest documents ever made.

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

Claims based on deprivation of right and deprivation of rights under color of law, or claim is also base on freedom of religion and evoke the religious freedom restoration act which protects the free exercise of religion.

1) Local Municipality agencies styled as Lancaster County of Pennsylvania has on numerous occasions Denied the Moorish Americans True American Citizens, their inalienable rights to travel as a secured right and not as a privilege that is secured by a fee which is secured by one of the greatest documents ever written by our forefathers the 1774 Constitution; which is still being enforced and later adopted in by virtue of Article VI, the protections of due process and equal protection secured in the 5<sup>th</sup> Amendment and the privilege and immunities clause guaranteed in Article IV and V which a which secures private American Citizens, life liberty and the pursuit of happiness. As Moorish American we have our own Free National Government, bearing our own Free National Constitution, and Free National Name and Principles. We are an Islamic body politic under the holy and Divine laws of the Holy city of Mecca. (See Attachment A House joint resolution 0689 and House Resolution 75) we were incorporated under R.C.A 805ILCS An Act of Corporation. See Attachment (B 110/46e) we have recorded our appointment letters as Skeiks and a established religious society that has extended the Jurisdiction of the Grand Major Temple No.1 to the Lancaster County and recorded in the Lancaster Recorder of Deeds, yet the local authorities still seek authority of a Religious Society that consist of the Aboriginal inhabitant of North America. The Moorish Science Temple of America is a Lawful Religious Incorporated Organization that Noble Drew Ali issues Charters to Religious Society Subordinate Temples That are guaranteed Religious protection by the 1<sup>st</sup> Amendment of the Constitution and that the continual deprivations our rights by preferring their law over our law. By impeding our movement by threat and coerce measure of threatening to taking private property that is secured in a Private irrevocable Trust.

The Moorish Science Temple of America are Law Abiders we have our own Sharia Law for it is the divine inspired word of Allah, Governed by the Koran of Mohammed and The Holy Koran of the Moorish Science Temple of America the Grand Advisor and Moderator The Great Koran of Mohammed, divinely prepared by Prophet Noble Drew Ali. Our charge is to propagate the faith and extend the learning of the Great Ali in America. The Moorish Science Temple of America through the Moorish Divine Movement of North America is a Federally and Internationally recognized a Sovereign (Allah hath instituted laws for the government of the world; He hath wonderfully varied them in all beings; and each by his nature conformeth to His will) theocratic government of aboriginals of this land that is composed of United Asiatic States throughout North South and Central America and the adjoin islands. We as Moorish Americans, descendants of the inhabitants of Africa; believe in all nationalities and creeds of men, but do not wish to amalgamate or marry into the families of the pale skin nations of Europe, neither serve the gods of their religion

Because our forefathers are the true and divine founder of the first religious creed for the redemption and the salvation of mankind on earth.

Therefore we are returning the Church and Christianity back to the European Nations, as it was prepared by their forefathers for their salvation. While we, the Moorish Americans, are returning to Islam (Sura 5 ayatt 3 and 4 One this day have I perfected your religion for you and have chosen Islam to be your religion), which was founded by our forefathers for our earthly and divine salvation.

So in short we the Moorish Americans are practicing our religion that is the Divine Law of Allah and encompasses the Supreme law of the land The Constitution and Treaties.

**IV. Relief**

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

The undersigned is asking for damages from all those who are involved in the process of abrogated ones rights as Private American citizens. To deprive a flesh and breathing being of the Most High whom we call Allah the inalienable rights that he has bestowed that being is a usurpation of divine law, when man dares to enslave the world, when he knows he can enjoy his tyranny but for a moment, what would he not aim at if he were immortal. Allah has given us all the choice to choose because there is no compulsory in Islam(Sura 2 ayatt 256) and however we chose will either be our penalty or our reward. The Holy Koran Teaches the sin lies in the wish and the desire not in the act Mens Reas . The Deceit we practice every day, and wish for gold, for honor and for fame, just for your selfish selves Actus Reas, The body of these laws is about human equality, not judging man for what they look like or talk like, the tinselled coat they present to the world. Allah and master men judge by what people are and not what they appear to be. Corpus Delicti The body of the crime. The lowers courts placed a fraudulent mark on my character by placing my attribute into a data system for all those to see that the Undersigned committed a crime and sent that correspondence indicating that the undersigned is on Adult probation, to be on probation one must of commit a crime, and to be a crime three elements must be present, where is the mens reas, actus reas and corpus delicti in a Pennsylvania Title 75 codes and statutes. The real crimes lie on ones who have converted an inalienable right that was given to them be their creator then converting the inalienable right into a privilege and attaching a fee to it. All law is a creature of the Constitution and is void and null outside the perimeters of it.

Undersigned wants all records cleared from the data base of these defective writs of judgment in the lower courts. The Undersigned wants 75.000 a piece for all defendants mentioned on this complaint.

Undersigned wants remedy to be extended to all Moorish Americans who are being impeded to travel in their private capacity to go from one point to another point exercising their inalienable rights of life liberty and the pursuit of happiness and recognized as a religious freedom if one has good reason, care and concern for others.

**II. Basis for Jurisdiction**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

1)Local Municipality agencies styled as Lancaster County of Pennsylvania has on numerous occasions Denied the Moorish Americans True American Citizens, their inalienable rights to travel as a secured right and not as a privilege that is secured by a fee which is secured by one of the greatest documents ever written by our forefathers the 1774 Constitution; which is still being enforced and later adopted in by virtue of Article VI, the protections of due process and equal protection secured in the 5<sup>th</sup> Amendment and the privilege and immunities clause guaranteed in Article IV and V which a which secures private American Citizens, life liberty and the pursuit of happiness. As Moorish American we have our own Free National Government, bearing our own Free National Constitution, and Free National Name and Principles. We are an Islamic body politic under the holy and Divine laws of the Holy city of Mecca.(See Attachment A House joint resolution 0689 and House Resolution 75) we were incorporated under R.C.A 805ILCS An Act of Corporation. See Attachment (B 110/46e) we have recorded our appointment letters as Skeiks and a established religious society that has extended the Jurisdiction of the Grand Major Temple No.1 to the Lancaster County and recorded in the Lancaster Recorder of Deeds, yet the local authorities still seek authority of a Religious Society that consist of the Aboriginal inhabitant of North America. The Moorish Science Temple of America is a Lawful Religious Incorporated Organization that Noble Drew Ali issues Charters to Religious Society Subordinate Temples That are guaranteed Religious protection by the 1<sup>st</sup> Amendment of the Constitution and that the continual deprivations our rights by preferring their law over our law. By impeding our movement by threat and coerce measure of threatening to taking private property that is secured in a Private irrevocable Trust.

The Moorish Science Temple of America are Law Abiders we have our own Sharia Law for it is the divine inspired word of Allah, Governed by the Koran of Mohammed and The Holy Koran of the Moorish Science Temple of America the Grand Advisor and Moderator The Great Koran of Mohammed, divinely prepared by Prophet Noble Drew Ali. Our charge is to propagate the faith and extend the learning of the Great Ali in America. The Moorish Science Temple of America through the Moorish Divine Movement of North America is a Federally and Internationally recognized a Sovereign (Allah hath instituted laws for the government of the world; He hath wonderfully varied them in all beings; and each by his nature conformeth to His will) theocratic government of aboriginals of this land that is composed of United Asiatic States throughout North South and Central America and the adjoin islands. We as Moorish Americans, descendants of the inhabitants of Africa; believe in all nationalities and creeds of men, but do not wish to amalgamate or marry into the families of the pale skin nations of Europe, neither serve the gods of their religion

Because our forefathers are the true and divine founder of the first religious creed for the redemption and the salvation of mankind on earth.

Therefore we are returning the Church and Christianity back to the European Nations, as it was prepared by their forefathers for their salvation. While we, the Moorish Americans, are returning to Islam (Sura 5 ayatt 3 and 4 One this day have I perfected your religion for you and have chosen Islam to be your religion), which was founded by our forefathers for our earthly and divine salvation.

So in short we the Moorish Americans are practicing our religion that is the Divine Law of Allah and encompasses the Supreme law of the land The Constitution and Treaties.

**IV. Relief**

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

The undersigned is asking for damages from all those who are involved in the process of abrogated ones rights as Private American citizens. To deprive a flesh and breathing being of the Most High whom we call Allah the inalienable rights that he has bestowed that being is a usurpation of divine law, when man dares to enslave the world, when he knows he can enjoy his tyranny but for a moment, what would he not aim at if he were immortal. Allah has given us all the choice to choose because there is no compulsory in Islam(Sura 2 ayatt 256) and however we chose will either be our penalty or our reward. The Holy Koran Teaches the sin lies in the wish and the desire not in the act Mens Reas . The Deceit we practice every day, and wish for gold, for honor and for fame, just for your selfish selves Actus Reas, The body of these laws is about human equality, not judging man for what they look like or talk like, the tinselled coat they present to the world. Allah and master men judge by what people are and not what they appear to be. Corpus Delicti The body of the crime. The lowers courts placed a fraudulent mark on my character by placing my attribute into a data system for all those to see that the Undersigned committed a crime and sent that correspondence indicating that the undersigned is on Adult probation, to be on probation one must of commit a crime, and to be a crime three elements must be present, where is the mens reas, actus reas and corpus delicti in a Pennsylvania Title 75 codes and statutes. The real crimes lie on ones who have converted an inalienable right that was given to them be their creator then converting the inalienable right into a privilege and attaching a fee to it. All law is a creature of the Constitution and is void and null outside the perimeters of it.

Undersigned wants all records cleared from the data base of these defective writs of judgment in the lower courts. The Undersigned wants 75.000 a piece for all defendants mentioned on this complaint.

Undersigned wants remedy to be extended to all Moorish Americans who are being impeded to travel in their private capacity to go from one point to another point exercising their inalienable rights of life liberty and the pursuit of happiness and recognized as a religious freedom if one has good reason, care and concern for others.

II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because *(explain)*:

The Affiant is seeking 75,000 per defendant. All of those who are a party to the abrogation and usurpation of Undersigned inalienable rights that are secured by the American Constitution one of the greatest documents ever made.

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

Claims based on deprivation of right and deprivation of rights under color of law, or claim is also base on freedom of religion and evoke the religious freedom restoration act which protects the free exercise of religion.

1) Local Municipality agencies styled as Lancaster County of Pennsylvania has on numerous occasions Denied the Moorish Americans True American Citizens, their inalienable rights to travel as a secured right and not as a privilege that is secured by a fee which is secured by one of the greatest documents ever written by our forefathers the 1774 Constitution; which is still being enforced and later adopted in by virtue of Article VI, the protections of due process and equal protection secured in the 5<sup>th</sup> Amendment and the privilege and immunities clause guaranteed in Article IV and V which a which secures private American Citizens, life liberty and the pursuit of happiness. As Moorish American we have our own Free National Government, bearing our own Free National Constitution, and Free National Name and Principles. We are an Islamic body politic under the holy and Divine laws of the Holy city of Mecca. (See Attachment A House joint resolution 0689 and House Resolution 75) we were incorporated under R.C.A 805ILCS An Act of Corporation. See Attachment (B 110/46e) we have recorded our appointment letters as Skeiks and a established religious society that has extended the Jurisdiction of the Grand Major Temple No.1 to the Lancaster County and recorded in the Lancaster Recorder of Deeds, yet the local authorities still seek authority of a Religious Society that consist of the Aboriginal inhabitant of North America. The Moorish Science Temple of America is a Lawful Religious Incorporated Organization that Noble Drew Ali issues Charters to Religious Society Subordinate Temples That are guaranteed Religious protection by the 1<sup>st</sup> Amendment of the Constitution and that the continual deprivations our rights by preferring their law over our law. By impeding our movement by threat and coerce measure of threatening to taking private property that is secured in a Private irrevocable Trust.

The Moorish Science Temple of America are Law Abiders we have our own Sharia Law for it is the divine inspired word of Allah, Governed by the Koran of Mohammed and The Holy Koran of the Moorish Science Temple of America the Grand Advisor and Moderator The Great Koran of Mohammed, divinely prepared by Prophet Noble Drew Ali. Our charge is to propagate the faith and extend the learning of the Great Ali in America. The Moorish Science Temple of America through the Moorish Divine Movement of North America is a Federally and Internationally recognized a Sovereign (Allah hath instituted laws for the government of the world; He hath wonderfully varied them in all beings; and each by his nature conformeth to His will) theocratic government of aboriginals of this land that is composed of United Asiatic States throughout North South and Central America and the adjoin islands. We as Moorish Americans, descendants of the inhabitants of Africa; believe in all nationalities and creeds of men, but do not wish to amalgamate or marry into the families of the pale skin nations of Europe, neither serve the gods of their religion

Because our forefathers are the true and divine founder of the first religious creed for the redemption and the salvation of mankind on earth.

Therefore we are returning the Church and Christianity back to the European Nations, as it was prepared by their forefathers for their salvation. While we, the Moorish Americans, are returning to Islam (Sura 5 ayatt 3 and 4 One this day have I perfected your religion for you and have chosen Islam to be your religion), which was founded by our forefathers for our earthly and divine salvation.

So in short we the Moorish Americans are practicing our religion that is the Divine Law of Allah and encompasses the Supreme law of the land The Constitution and Treaties.

**IV. Relief**

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

The undersigned is asking for damages from all those who are involved in the process of abrogated ones rights as Private American citizens. To deprive a flesh and breathing being of the Most High whom we call Allah the inalienable rights that he has bestowed that being is a usurpation of divine law, when man dares to enslave the world, when he knows he can enjoy his tyranny but for a moment, what would he not aim at if he were immortal. Allah has given us all the choice to choose because there is no compulsory in Islam(Sura 2 ayatt 256) and however we chose will either be our penalty or our reward. The Holy Koran Teaches the sin lies in the wish and the desire not in the act Mens Reas . The Deceit we practice every day, and wish for gold, for honor and for fame, just for your selfish selves Actus Reas, The body of these laws is about human equality, not judging man for what they look like or talk like, the tinselled coat they present to the world. Allah and master men judge by what people are and not what they appear to be. Corpus Delicit The body of the crime. The lowers courts placed a fraudulent mark on my character by placing my attribute into a data system for all those to see that the Undersigned committed a crime and sent that correspondence indicating that the undersigned is on Adult probation, to be on probation one must of commit a crime, and to be a crime three elements must be present, where is the mens reas, actus reas and corpus delicti in a Pennsylvania Title 75 codes and statutes. The real crimes lie on ones who have converted an inalienable right that was given to them be their creator then converting the inalienable right into a privilege and attaching a fee to it. All law is a creature of the Constitution and is void and null outside the perimeters of it.

Undersigned wants all records cleared from the data base of these defective writs of judgment in the lower courts. The Undersigned wants 75.000 a piece for all defendants mentioned on this complaint.

Undersigned wants remedy to be extended to all Moorish Americans who are being impeded to travel in their private capacity to go from one point to another point exercising their inalienable rights of life liberty and the pursuit of happiness and recognized as a religious freedom if one has good reason, care and concern for others.

which holds state statutes, actions or decisions unconstitutional, When they conflict with the Constitution, laws and treaties of the United States or acts done in furtherance of them.<sup>7</sup>“The Constitution is the supreme law of the land, any law that is repugnant, to the Constitution is null and void “*Marbury v. 2) The Affiant has received threat and coercion, by the lower courts, issuing a defective writs (*A writ may be voided because it is defective in language, because the court had no jurisdiction to issue the writ: Big Torts 122 nixon v. ### **Conclusion**

The lower courts erred when they failed to entertain jurisdiction. And persistently deprive the Moorish Americans of their inalienable rights under deprivation of rights and color of law.

1 The lower courts infringed upon the Moorish Americans 1 amendment of religion. They  
 2  
 3 infringed upon international law in which they have no standing. We as the Moors of America,  
 4 have our own state and rules and regulations that derive from the inspired word of Allah. The  
 5 founding fathers never mentioned one's ability to travel from one place to the next because the  
 6 right is so fundamental that it need not be mentioned. How does one put a license and fee on a  
 7 divine right that their creator endowed them with, this not only abrogates the Constitution but it  
 8 also abrogated Allah's law as well divine Law which all things are governed by in all aspects of  
 9 life. If a citizen is conscious of the brotherhood of life, that all living things are bound to all  
 10 living things and when you crush beneath your feet the meanest worm, you shake the throne of  
 11 Allah and cause the sword of life to tremble in its sheath. This one exercises due care in all  
 12 things. Because he lives his life according to the five highest principles known to man which is  
 13 love truth peace and freedom and when these four principles are violated then justice must take  
 14 its course.

## HOUSE OF REPRESENTATIVES

4367

Mr. Peters moved that the vote by which Resolution No. 80 passed the House be reconsidered.

Mr. Forrest seconded the motion.

The motion was agreed to.

Mr. Peters moved that this resolution be laid upon the table.

The motion was agreed to.

Mr. Witkin called up resolution No. 75.

The resolution was read as follows:

In the House of Representatives, April 17, 1933.

Many sons and daughters of that proud and handsome race which inspired the architecture of Northern Africa and carried into Spain the influence of its artistic temperament have become citizens of this Nation.

In the City of Philadelphia there exists a Moorish-American Society made up of Moors who have found here the end of their quest for a home and of the children of those who journeyed here from the plains of Morocco.

This Society has done much to bring about a thorough absorption by these people of those principles which are necessary to make them good American citizens.

These Moorish-Americans have since being here missed the use of the titles and name annexations that were so familiar at home and which are used in accordance with the doctrines of the religious faith to which they are adherents therefore be it

Resolved, That this House commends the Moorish-American Society of Philadelphia for the efficient service it has rendered the Nation in bringing about a speedy and thorough Americanization of these former Moors and that in accordance with the fullest right of religious independence guaranteed every citizen we recognize also the right of these people to use the name affixes El or Ali or Bey or any other prefix or suffix to which they have heretofore been accustomed to use or which they may hereafter acquire the right to use.

On the question,

Will the House adopt the resolution?

It was adopted.

Mr. Root offered the following resolution which was twice read, considered and adopted.

**Information maintained by the Legislative Reference Bureau**

Updating the database of the Illinois Compiled Statutes (ILCS) is an ongoing process. Recent laws may not yet be included in the ILCS database, but they are found on this site as Public Acts soon after they become law. For information concerning the relationship between statutes and Public Acts, refer to the Guide.

Because the statute database is maintained primarily for legislative drafting purposes, statutory changes are sometimes included in the statute database before they take effect. If the source note at the end of a Section of the statutes includes a Public Act that has not yet taken effect, the version of the law that is currently in effect may have already been removed from the database and you should refer to that Public Act to see the changes made to the current law.

No gift, grant, legacy, payment or other contribution shall be invalid by reason of any indefiniteness or uncertainty as to the beneficiary designated in the instrument creating the gift, grant, legacy, payment or other contribution. If any gift, grant, legacy, payment or other contribution consists of non-income producing property, such corporation is authorized and empowered to sell such property and to invest the funds obtained in accordance with the provisions of the Uniform Prudent Management of Institutional Funds Act, or the provisions of the next succeeding paragraph.

The trust funds authorized by this Section shall be held intact and, unless otherwise restricted by the terms of the gift, grant, legacy, contribution, payment, contract or other payment shall be invested, from time to time reinvested, and kept invested by such corporation in such investments as are authorized by the Uniform Prudent Management of Institutional Funds Act, and according to such standards as are prescribed, for trustees under that Act and the "Trusts and Trustees Act", approved September 10, 1973, as amended, and the net income only from such investments shall be allocated and used for the purposes set forth in the paragraph immediately preceding; but the trust funds authorized by this Section may be commingled and may also be commingled with any other trust funds received by such corporation for the care of the cemetery or cemeteries, or burial ground or grounds, or for the care or special care of any lot, grave, crypt, private mausoleum, memorial, marker, or monument whether received by gift, grant, legacy, contribution, payment, contract or other conveyance heretofore or hereafter made to such corporation.

The trust funds authorized by this Section, and the income therefrom, shall be exempt from taxation and exempt from the operation of the laws against perpetuities and accumulations. (Source: P.A. 96-29, eff. 6-30-09.)

## DEGREE OF ADEPT

*In Defense of the Everlasting Gospel*

Greetings,

The Council of the Brotherhood convened and Jesus stood before the Hierophant. He answered all the questions that were asked with clearness and with power. The Hierophant exclaimed, "Your wisdom is the wisdom of the Gods. Why seek for wisdom in the halls of men?" And Jesus said, "In every way of life I would walk; in every hall of learning I would sit; the heights that any man has gained, these I would gain. What any man has suffered I would meet; that I may know the griefs, the disappointments and the sore temptations of my brother man; that I may know just how to succor those in need. I pray you brothers, let me go into your dismal crypts; and I would pass the hardest of your tests." The master said, "Take then the vow of secret brotherhood."

This is to certify that Brother C. Barnes Bey has been Six times before the B.A.R. Six times a mighty conqueror and has been found qualified "Tried and Found True" to enter the Chamber of the Dead, and Meet the Great Grand Hierophant for furthering their learning.

By virtue of the authority vested in the Most Holy Prophet, Noble Drew Ali and the Great Grand Assembly of the Adept Chamber of the Moorish Science Temple of America 3<sup>rd</sup> Heaven. Brother C. Barnes Bey has been appointed to the Station of Sheikh; and has taken on the Holy Name of Brother C. Barnes Bey. On this 15<sup>th</sup> day of October in the year of 2017 at the Grand-Major Temple also known as Home Office: Chicago "Mecca" Illinois. This Degree of Adept and Appointment of Sheikh expires only when the bearer violates their Sacred Affirmation, the Rules and Regulations of the Moorish Science Temple of America after a "Fair Trial".

In testimony whereof I have hereunto subscribed and affixed the Seal of the said Moorish Science Temple of America and the Seal of the Moorish Divine and National Movement of North America.

# The Holy Koran

## OF THE Moorish Science Temple Of America

Divinely Prepared By The Noble Prophet

**DREW ALI**

*By the guiding of his father, God, Allah; the great God of the universe. To redeem man from his sinful and fallen stage of humanity back to the highest plane of life with his father God, Allah.*

## THE DIVINE INSTRUCTIONS

3. Learn to esteem as thou ought; then art thou near the pinnacle of wisdom.

4. Think not, with the fool, that nothing is more valuable; nor believe, with the pretended wise, that thou oughtest to condemn it. Love it not thyself, but for the good it may be of to others.

5. Gold cannot buy it for thee neither mines of diamonds purchase back the moment thou hast now lost it. Employ the succeeding ones in virtue.

6. Say not that it were best not to have been born: or, if born that it has been best to die early; neither dare thou to ask of thy Creator, "Where has been the evil, had I not existed?" Good is thy power, the want of good is evil; and if thy question be just, lo, it condemneth thee.

7. Would the fish swallow the bait if he knew the hook were hidden therein? Would the lion enter the toils if he saw they were prepared for him? So neither, were the soul to perish with this clay, neither would a merciful Father have created him; know hence thou shalt live afterwards.

8. As the bird, enclosed in the cage before he seeth it, yet teareth not his flesh against its sides; so neither labor thou vainly to run the state thou art in, but know it is allotted thee. and be content with it.

9. Though its ways are uneven, yet they are not all painful. Accommodate thyself to all and where there is the least appearance of evil, suspect the greatest danger.

10. When thy bed is straw, thou sleepest in security; but when thou stretcheth thyself on roses beware of the thorns.

11. A good death is better than an evil life; strive therefore, to live as long as thou oughtest, not as long as thou canst. While thy life is to others worth more than thy death, it is thy duty to preserve it.

12. Complain not, with the fool, of the shortness of thy time: remember, with thy days thy cares are shortened.

13. Take from the period of thy life the useless part of it, and what remaineth?

14. Take off the time of thine infancy, thy second infancy of age, thy sleep, thy thoughtless hours, thy days of sickness; and, even at thy fullness of years, how few seasons hast truly numbered!

15. He who gave thee life as a blessing, shortened it to make it even more so.

16. To what end would longer life have served thee? Wishest thou to have had an opportunity of more vices? As to the good, will not He who limited thy span, be satisfied with the fruits of it?

17. To what end, O child of sorrow, wouldst thou live longer. To breathe, to eat, to see the world? All this thou hast done often already. Too frequent repetition, is it not tiresome? Or is it not superfluous?

18. Wouldst thou improve thy wisdom and thy virtue? Alas! What art thou to know? Or who is it that shall teach thee? Badly thou employest the little thou hast; dare not, therefore to complain that the more is not given thee.

19. Repine not at thy want of knowledge; it must perish within the grave. Be honest here; thou shalt be wise hereafter.

## THE DIVINE INSTRUCTIONS

19. But thee, He hath distinguished with peculiar favor; and exalted thy station above all creatures.

20. He hath endued thee with reason, to maintain thy dominion; he hath fitted thee with language, to improve thy society; and exalted thy mind with the powers of meditation, to contemplate and adore His inimitable perfections.

21. And in the laws He hath ordained as the rule of life, so kindly hath He united thy duty to thy nature that obedience to His precepts is happiness to thyself.

22. O praise His goodness with songs of thanksgiving, and meditate in silence on the wonders of His love; let thy heart overflow with gratitude and acknowledgment, let the language of thy lips speak praise and adoration, let the actions of thy life show thy love to His law.

23. Allah is just and righteous, and will judge the earth with equity and truth.

24. Hath He established his laws in goodness and mercy, and shall He not punish the transgressors thereof?

25. O think not, bold men, because thy punishment is delayed, that the arm of Allah is weakened; neither flatter thyself with hopes that He winketh at thy doings.

26. His eye pierceth the secrets of every heart, and He rememebereth them forever; He respecteth not the persons or the stations of men.

27. The high and the low, the rich and the poor, the wise and the ignorant, when the soul hath shaken off the cumbrous shackles of this mortal life, shall equality receive, from the sentence of just and everlasting retribution, according to their works.

28. Then shall the wicked tremble and be afraid; but the heart of the righteous shall rejoice in His judgements.

29. O fear Allah, therefore, all the days of thy life, and walk in the paths which He hath opened before thee. Let prudence admonish thee, let temperance restrain, let justice guide thy hand, benevolence warm thy heart, and gratitude to Heaven inspire thee with devotion. These shall give thee happiness in thy present state, and bring thee to the mansions of eternal felicity in the paradise of Allah.

30. This is the true economy of Human Life.

### CHAPTER XXXVI HOLY INSTRUCTIONS FROM THE PROPHET KNOW THYSELF

1. Weak and ignorant as thou art, O man, humble as thou oughtest to be, O child of the dust, wouldst thou raise thy thoughts to infinite wisdom? Wouldst thou see omnipotence displayed before thee? Contemplate thine frame.

2. Fearfully and wonderfully art thou made; praise therefore thy Creator with awe, and rejoice before Him with reverence.

3. Wherefore of all creatures art thou only erect, but that thou shouldst behold his works? Wherefore art thou to behold, but that thou mayest admire them? Wherefore to admire but that thou mayest adore their and thy Creator?

4. Wherefore is consciousness reposed on thee alone, and whence is it derived to thee?

## THE DIVINE INSTRUCTIONS

13. Fear and dismay, which robs thy countenance of its ruddy splendor, avoid guilt, and thou shalt know that fear is beneath thee, that dismay is unnamely.

14. Wherefore to thee alone speaks shadows in the vision of the pillow? Reverence them; for know that dreams are from on high.

15. Thou man alone canst speak. Wonder at thy glorious prerogative; and pay to Him who gave it to thee a rational and welcome praise, teaching thy children wisdom, instructing the offspring of thy loins in piety.

### CHAPTER XXXVIII HOLY INSTRUCTIONS FROM THE PROPHET THE SOUL OF MAN

1. The blessing, O man, of thy external part is health, vigor and proportion. The greatest of these is health. What health is to the body even that is honesty to the soul.

2. That thou hast a soul is of all knowledge the most certain of all truths the most plain unto thee. Be meek, be grateful for it. Seek not to know it perfectly. It is inscrutable.

3. Thinking, understanding, reasoning, willing, call not these the soul. They are its actions, but they are not its essence.

4. Raise it not too high, that thou be not despised. Be not thou like unto those who fall by climbing; neither debase it to the sense of brutes, nor be thou like to the horse and the mule, in whom there is no understanding.

5. Search it by its faculties: know it by its virtues. They are more in number than the hairs of thy head; the stars of heaven are not to be counted with them.

6. Think not with Arabia, that one soul is parted among all men; neither believe thou with the sons of Egypt that every man hath many; know, that as thy heart, so also thy soul is one.

7. Doth not the sun harden the clay? Doth it not also soften the wax? As it is one sun that worketh both, even so it is one soul willeth contraries.

8. As the moon retaineth her nature, though darkness spread itself before her face as a curtain; so the soul remaineth perfect, even in the bosom of a fool.

9. She is immortal; she is unchangeable; she is alike in all. Health calleth her forth to show her loveliness, and application anointeth her with the oil of wisdom.

10. Although she shall live after thee, think not she was born before thee. She was created with thy flesh, and formed with thy brain.

11. Justice could not give her to thee exalted by virtues, nor mercy deliver her to thee deformed by vices. These must be thine, and thou must answer for them.

12. Suppose not death can shield thee from examination; think not corruption can hide thee from inquiry. He who formed thee of thou knowest not what, can he not raise thee from thou knowest not what again?

13. Perceiveth not the cock the hour of midnight? Exalteth he not his voice to tell thee it is morning? Knoweth not the dog the footsteps of his master? Flieth not the wounded gazelle unto the herb that healeth him? Yet when these die, their spirit returneth to dust; thine also shall surviveth.

**FROM THE HOLY PROPHET**

47

14. Envy not to these their senses, because quicker than thine own. Learn that the advantage lieth not in possessing good things, but in the knowing to use them.

15. Hadst thou the ear of the stag, or were thine eyes as strong and piercing as the eagles didst thou equal the hound in smell, or could the ape resign to thee his taste, or could the tortoise her feeling; yet without reason what would they avail thee? Perish not all these like their kindred?

16. Hath any one of them the gift of speech? Can any say unto thee, "Therefore did I do?"

17. The lips of the wise are as the doors of a cabinet; no sooner are they opened but treasures are poured out before thee.

18. Like unto trees of gold arranged in beds of silver are wise sentences uttered in due season.

19. Canst thou think too greatly of thy soul? Or can too much be said in its praise? It is the image of Him who gave it.

20. Remember thou its dignity forever; forget not how great a talent is committed to thy charge.

21. Whatsoever may do good, may also do harm. Beware that thou direct its course to virtue.

22. Think not that thou canst lose her in a crowd; suppose not that thou canst bury her in thy closet. Action is her delight, and she will not be withheld from it.

23. Her motion is perpetual; her attempts are universal; her agility is not to be suppressed. Is it at the uttermost parts of the earth? She will have it. Is it beyond the regions of the stars? Yet will her eye discover it, Inquiry is her delight. As one who traverseth the burning sands, in search of water, so is the soul that thirsteth after knowledge.

24. Guard her for she is rash; restrain her, for she is irregular; correct her, for she is outrageous; more supple is she than water, more flexible than wax, more yielding than air. Is there aught that can bind her?

25. As a sword in the hand of a mad man, even so is the soul to him who wanteth discretion.

26. The end of her search is truth; her means to discover it are reason and experience. But are not these weak, uncertain and fallacious? How then shall she attain unto it?

27. General opinion is no proof of truth, for the generality of men are ignorant.

28. Perception of thyself, the knowledge of Him who create thee, the sense of worship thou owest unto Him. Are not these plain before thy face? And, behold! What is there more that men needeth to know?

**CHAPTER XXXIX**  
**HOLY INSTRUCTIONS FROM THE PROPHET**  
**PINNACLE OF WISDOM**

1. As the eye of the morning to the lark, as the shade of the evening to the owl, as honey to the bee, or as the carcass to the vulture even such is life unto the heart of man.

2. Though bright, it dazzleth not; though obscure, it displeaseth not; though sweet, it cloyeth not; though corrupt, it forbiddeth not, yet who is he that knoweth its true value?

## THE DIVINE INSTRUCTIONS

### CHAPTER XLIII

#### HOLY INSTRUCTIONS FROM THE PROPHET THE INSUFFICIENCY OF KNOWLEDGE

1. If there is anything lovely, if there is anything desirable, if there is anything within the reach of man that is worthy of praise, is it not knowledge? And yet who is it that attaineth it?

2. The statesman proclaimeth that he hath it; the ruler of the people claimeth the praise of it -- but findeth the subject that he posssesseth it?

3. Evil is not requisite to man; neither can vice be necessary to be tolerated; yet how many evils are permitted by the connivance of the laws; how many crimes committed by the decree of the council!

4. But be wise, O ruler, and learn, O thou that are to command the nations! One crime authorized by thee is worse than the escape of ten from punishment.

5. When the people are numerous, when thy sons increase about thy table; sendest thou them not out to slay the innocent, and to fall before the sword of him whom they have not offended?

6. If the objects of thy desire demanding the lives of a thousand sayeth thou not: "I will have it." Surely thou forgetteth that He who created thee, created also these; and that their blood is as rich as thine?

7. Sayeth thou, that justice cannot be executed without wrong? Surely thine own words condemn thee.

8. Thou who flattereth with false hopes the criminal that he may confess his guilt, art not thou unto him a criminal? Or art thou guiltless, because he cannot punish it?

9. When thou commandest to the torture him whom is but suspected of ill, dareth thou to remember, that thou mayest rack the innocent?

10. Is thy purpose answered by the event? Is thy soul satisfied with his confession? Pain will enforce him to say what is not, as easy as what is, and anguish hath caused innocence to accuse herself.

11. That thou mayest not kill him without cause, thou dost worse than kill him; that thou mayest prove if he be guilty, thou detsroyeth him innocent.

12. O blindness to all truth! O insufficiency of the wisdom of the wise! Know, when thy judge shall bid thee account for this, thou shalt wish ten thousand guilty to have gone free, rather than one innocent to stand forth against thee.

13. Insufficient as thou art to the maintenance of justice, how shalt thou arrive at the knowledge of truth? How shalt thou ascend to the footstep of her throne?

14. As the owl is blinded by the radiance of the sun, so shall the brightness of her countenance dazzle thee in thy approaches.

15. If thou wouldst mount onto her throne, first bow thyself at her footstool. If thou wouldst arrive at the knowledge of her, first inform thyself of thine own ignorance.

16. More worth is she than pearls, therefore seek her carefully; the emerald and the sapphire, and the ruby are as dirt beneath her feet; therefore pursue her manfully.

## FROM THE HOLY PROPHET

53

5. Couldst thou choose for thyself, would thy Creator lay before thee all that thy hear could ask for, would happiness then remain with thee, or would joy always dwell in thy gates?

6. Alas! Thy weakness forbiddeth it; thy infirmity declareth against it. Variety is to thee in the place of pleasure; but that which permanently delighteth, must be permanent.

7. When that is gone, thou repenteth the loss of it; though, while it was with thee, thou despiseth it.

8. That which succeedeth it, hath no more pleasure to thee; and thou afterwards quarreleth with thyself for preferring it; behold the only circumstances in which thou arrest not!

9. Is there anything in which thy weakness appeareth more, than in desiring things? It is in the possessing, and in the using of them.

10. Good things cease to be good in our enjoyment of them. What nature meant pure sweets, are sources of bitterness to us, from our delights arise pain, from our joys, sorrow.

11. Be moderate in the enjoyment, and it shall remain in thy possession; let thy joy be founded on reason, and to its end shall sorrow be a stranger.

12. The delights of love are ushered in by sighs, and they terminate in languishment and dejection. The objects thou burnedest for, nauseates with satiety; and no sooner hast thou possessed it, but thou art weary of its presence.

13. Join esteem to thy admiration, unite friendship with the love; so shalt thou find in the end content so absolute, that it surpasseth raptures, tranquility more worth than ecstasy.

14. Allah hath given thee no good, without its admixture of evil; but he hath given thee also the means of throwing off the evil from it.

15. As joy is not without its alloy of pain, so neither is sorrow without its portion of pleasure. Joy and grief, though unlike, are united. Our own choice only can give them to us entirely.

16. Melancholy itself often giveth delight, and the extremity of joys are mingled with tears.

17. The best things in the hands of a fool may be turned to his destruction; and out of the worst, the wise will find means of good.

18. So blended is weakness in thy nature, O man, that thou hast not strength either to be good nor to be evil, entirely. Rejoice that thou canst not excel in evil, and let the good that is within thy reach content thee.

19. The virtues are allotted to various stations. Seek not after impossibilities, nor grieve that thou canst not possess them all.

20. Wouldst thou at once have the liberality of the rich, and the contentment of the poor? Shall the wife of thy bosom be despised because she showeth not the virtues of the widow?

21. If thy father sink before thee in the divisions of thy country, can at once thy justice destroy him, and thy duty save his life?

22. If thou behold thy brother in the agonies of slow death, is not mercy to put a period to his life? And is it not also death to be his murderer?

23. Truth is but one; thy doubts are of thine own raising. He who made virtues what they are, planted in thee a knowledge of their pre-eminence. Act as thy soul dictates to thee, and the end shall be always right.

## THE DIVINE INSTRUCTIONS

worship under their own vine and fig tree. After the principles of the holy and divine laws of their forefathers.

9. All nations of the earth in these modern days are seeking peace, but there is but one true and divine way that peace may be obtained in these days, and it is through Love, Truth, Peace, Freedom, and Justice being taught universally to all nations, in all lands.

### CHAPTER XLVII

#### EGYPT, THE CAPITAL EMPIRE OF THE DOMINION OF AFRICA

1. The inhabitants of Africa are the descendants of the ancient Canaanites from the land of Canaan.

2. Old man Cush and his family are the first inhabitants of Africa who came from the land of Canaan.

3. His father Ham and his family were second. Then came the word Ethiopia, which means the demarcation line of the dominion of Amexem, the first true and divine name of Africa. The dividing of the land between the father and the son.

4. The dominion of Cush, North-East and South-East Africa and North-West and South-West was his father's dominion of Africa.

5. In later years many of their bretheren from Asia and the Holy Lands joined them.

6. The Moabites from the land of Moab who received permission from the Pharaohs of Egypt to settle and inhabit North-West Africa; they were the founders and are the true possessors of the present Moroccan Empire. With their Canaanite, Hittite, and Amorite bretheren who sojourned from the land of Canaan seeking new homes.

7. Their dominion and inhabitation extended from North-East and South-West Africa across great Atlantis even unto the present North, South, and Central America and also Mexico and the Atlantis Islands; before the great earthquake, which caused the great Atlantic Ocean.

8. The River Nile was dredged and made by the ancient Pharaohs of Egypt, in order to trade with the surrounding kingdoms. Also the Niger river was dredged by the great Pharaoh of Egypt in those ancient days for trade, and it extends eastward from the River Nile westward across the great Atlantic. It was used for trade and transportation.

9. According to all true and divine records of the human race there is no Negro, black, or colored race attached to the human family, because all the inhabitants of Africa were and are of the human race, descendants of the ancient Canaanite nation from the holy land of Canaan.

10. What your ancient forefathers were, you are today without doubt or contradiction.

11. There is no one who is able to change man from the descendant nature of his forefathers; unless his power extends beyond the great universal Creator Allah Himself.

12. These holy and divine laws are from the Prophet, Noble Drew Ali, the founder of the uniting of the Moorish Science Temple of America.

13. These laws are to be strictly preserved by the members of all the Temples, of the Moorish Science Temple of America. That they will learn to open their meeting and guide it according to the principles of Love, Truth, Peace, Freedom and Justice.

**FROM THE HOLY PROPHET****5**

14. Every subordinate Temple of the Grand-Major Temple is to form under the covenant of Love, Truth, Peace, Freedom and Justice; and to create their own laws and customs, in conjunction with the laws of the Holy Prophet and the Grand Temple. I, the Prophet, Noble Drew Ali, was sent by the great God, Allah, to warn all Asiatics of America to repent from their sinful ways; before that great and awful day that is sure to come.

15. The time has come when every nation must worship under its own vine and fig tree and every tongue must confess his own.

16. Through sin and disobedience every nation has suffered slavery, due to the fact that they honored not the creed and principles of their forefathers.

17. That is why the nationality of the Moors was taken away from them in 1774 and the word negro, black and colored, was given to the Asiatics of America who were of Moorish descent, because they honored not the principles of their mother and father, and strayed after the gods of Europe of whom they knew nothing.

## **THE END OF TIME AND THE FULFILLING OF THE PROPHECIES**

1. The last Prophet in these days is Noble Drew Ali, who was prepared divinely in due time by Allah to redeem men from their sinful ways; and to warn them of the great wrath which is sure to come upon the earth.

2. John the Baptist was the forerunner of Jesus in those days, to warn and stir up the nation and prepare them to receive the divine creed which was to be taught by Jesus.

3. In these modern days there came a forerunner of Jesus, who was divinely prepared by the great God-Allah and his name is Marcus Garvey, who did teach and warn the nations of the earth to prepare to meet the coming Prophet; who was to bring the true and divine Creed of Islam, and his name is Noble Drew Ali who was prepared and sent to this earth by Allah to teach the old time religion and the everlasting gospel to the sons of men.

That every nation shall and must worship under their own vine and fig tree, and return to their own and be one with their Father God-Allah.

4. The Moorish Science Temple of America is a lawfully religious organization. A subordinate Temple that desires to receive a charter; the Prophet has them to issue to every state throughout the United States, etc.

5. That the world may hear and know the truth, that among the descendants of Africa there is still much wisdom to be learned in these days for the redemption of the sons of men under Love, Truth, Peace, Freedom, and Justice.

6. We, as clean and pure nation descended from the inhabitants of Africa, do not desire to amalgamate or marry into the families of the pale skin nations of Europe. Neither serve the gods of their religion, because our forefathers are the true and divine founders of the first religious creed, for the redemption and salvation of mankind on earth.

7. Therefore we are returning the Church and Christianity back to the European Nation as it was prepared by their forefathers for their earthly salvation.
